Parent Signature
(verify student's entries
at end of each week)

Instructions: Each day, students record how many minutes they practice at home. (Note: This does not include playing time at school.) At the end of each week, a parent/guardian should sign on the line at the end to confirm the number of minutes practiced that week.

While band students are encouraged to practice **100–140 minutes every week**, the students' weekly lesson grades are based only on *accurately* filling out this practice record sheet and obtaining a parent signature, regardless of the total amount of practice.
